

GASLIGHT INN

20-Years as a Bed & Breakfast Inn!

Our restored, turn-of-the-century “home” maintains it’s original ambiance and warmth, while providing all the conveniences and contemporary style for today's travelers.

Strikingly rich, dark colors with old world crafted oak paneling, antiques and art that fill the home make Gaslight Inn truly **“*elegant without being uncomfortable or stilted,*”** according to *Pacific Northwest Magazine*.

From cozy studio to fully equipped suite, our guest rooms are outfitted with amenities you won't find at the typical Bed and Breakfast. Come spend some relaxed time at the Gaslight Inn while you see the sites of Seattle.

A Seattle Tradition!
