針灸東方醫學中心

Traditional Chinese Medicine (TCM) is a comprehensive system of health care that includes acupuncture, herbal medicine, massage, dietary therapy, Taiji, Qigong, meditation and exercise. These techniques and therapies stimulate the patient's energy system, restore balance and facilitate innate self-healing capabilities. Professional skill and extensive experience with TCM are hallmarks of the *Acupuncture & Oriental Medicine Center*.

*Our Mission —to heal wounds at illness and prevent disease is our holy mission. To keep you in good health and improve your quality of life is our goal.*

The *Acupuncture & Oriental Medicine Center* is the largest acupuncture center in Seattle, and provides primary healing for:

- Bone, Muscle, Joint Disorders
- Nervous System Disorders
- Chronic Pain Disorders
- Gastrointestinal Disorders
- Emotional & Psychological Disorders
- Gynecological & Pediatric Disorders
- Urogenital Disorders
- Respiratory Disorders
- Circulatory Disorders
- Addictions
- Eye, Ear Nose & Throat Disorders

The *Acupuncture & Oriental Medicine Clinic* professional staff includes:

- Physicians
- Acupuncturists

## 針灸

F

Acupuncture Clinic practitioners are highly skilled and available to treat patients with many different techniques including:

- Body Acupuncture
- Ear Acupuncture
- Electro-Acupuncture
- Scalp Acupuncture
- Wrist-Ankle Acupuncture
- Facial Acupuncture
- Foot Acupuncture
- Hand Acupuncture

We also provide Moxibustion Therapy, Plum-blossom Needling Therapy, Cupping Therapy, Gua Sha Therapy and Bleeding Therapy.

## 中醫

Herbal Medicine Clinic practitioners prescribe herbal formulas based on TCM diagnosis. Raw herbs, patent herbal medicine and granules are used to treat and prevent many everyday illnesses such as digestive disorders, chronic fatigue, sleeping difficulties, and post surgery syndromes.

## 骨外傷,推拿

Sports & Traumatic Injury Clinic professionals are skilled in treatments that include acupuncture, herbal medicine, Oriental Bodywork, TDP Therapy, Qigong, Physical Therapy and Food Therapy. These proven remedies heal acute and chronic soft tissue injuries resulting from sports, auto/work accidents and post surgery syndromes. The Sports & Traumatic Injury Clinic is an important specialty at the Acupuncture and Oriental Medicine Center.

## 兒科

Pediatric Clinic professionals are especially capable and dedicated to provide healing treatment for children who suffer from chronic indigestion, sleep disorders, nutritional problems, cough, wheezing and the common cold.

## 婦科

Gynecological Clinic practitioners specialize in helping women who are suffering from gynecological illnesses including:

- Menstrual disorders
- Menopause
- Infertility

## 營養,生活格調

Nutritional & Life Style Clinic professionals are dedicated to help individuals who need quality, balance and peace into their life. AOMC practitioners educate patients on diet, emotional management and stress reduction techniques. The combined treatment of acupuncture, herbs, Chinese massage, Qigong and Taiji are highly effective in the relief of stress.

## 藥房,醫療器材

The AOMC Herbal Pharmacy and Oriental Medical Supply Department is one of the largest in Seattle. We offer a complete inventory of the following:

- Raw herbs
- Granules
- Patent herbs (pills, tablets, capsules, syrups, tincture patches)
- Teas
- Herbal extracts
- Electro-acupuncture devices TDP
- Oriental medical supplies and books

## 教育

The AOMC Educational Department provides advanced training and education to acupuncture and TCM professionals in need of advanced certification. AOMC instructors are experienced in teaching, education and clinical practice. Our Educational Department also provides basic training and public education on acupuncture and Traditional Chinese Medicine.
